## **Rent Determination**

Payment standards are used to calculate the housing assistance payment (HAP) that the HAMC pays to the owner on behalf of the family leasing the unit. The level at which the payment standard amount is set directly affects the amount of subsidy a family will receive, and the amount of rent paid by program participants. Each Housing Authority must adopt a payment standard schedule that establishes voucher payment standard amounts for each unit size, for each FMR area, in the HAMC's jurisdiction between 90% to 110% of 2026 Final Fair Market Rents.

Effective January 1, 2026, the HAMC will set the payment standards at 95% of the highest SAFMR within each “grouped” zip code for 0-6 bedroom units, updating the Payment Standards as follows for tenant based vouchers:

See next page for Payment Standard Schedule

### **Operation and Management**

Under the Generally Accepted Accounting Principles (GAAP), uncollectible accounts are allowed to be deducted; and the write-offs are for tenants with a balance older than 90 days in Tenant Accounts Receivable. Write-offs are a part of the HUD Tenant Accounts scoring threshold and it is the goal of the HAMC to have Tenant Accounts Receivable no more than 1.5% of billed tenant charges. The BOC approved the following write-offs:

Approval Date	Amount and Description
1/22/2025	\$37,848.86 in uncollectible tenant accounts for the calendar year of January 2024-December 2024
